Activity Report on greenbird Kokura Team in 2022

Hello!

What is the “greenbird”?

The “greenbird” is a project originated in Harajuku (Tokyo), based on the concept that

“A clean city makes people’s mind clean, too” .

Our mission is to change the minds of those who littering.

We wear cute uniforms and gloves during activities, then show people happily picking up trash .

We would like to make people think that **“Littering is NOT cool!”**
